

A legacy of integrity.

Exterior Portfolio by Crane is recognized as the category leader in innovative exterior design products and tools for remodelers, contractors, architects, builders and homeowners. The company was the first to introduce innovations like CraneBoard® Solid CoRe Siding®, BellaStone® and Architectural Essentials™ trim and accessories to the siding industry. Exterior Portfolio's online visualizer tool, Dream Designer, sets the standard for demonstrating how to mix and match textures, colors and styles to create great exterior design.

Think outside.

Highlight your exterior.

Beaded siding has long been a signature of prestige for exquisite homes. **Carolina Sands®** is no exception. Its authentic, handcrafted, wood appearance gives Carolina Sands a crisp, appealing silhouette that is as stunning from the curb as it is up close. Its attractive 6" plank design matches the traditional width of fine, beaded wood siding. Best of all, Carolina Sands has been carefully designed to withstand the harshest weather conditions while retaining its exceptional allure.

Ordinary Beaded

Carolina Sands

While regular beaded siding only presents the illusion of a bead, Carolina Sands has a precision shape that gives it a true, detailed, beaded look.
