Heirloom Collection™

Melamine Storage System

Imagine a place for everything and everything in its place. That's what your customers get with the Heirloom Collection by Rubbermaid, the most trusted name in home storage.

Furniture grade: the aptly named Heirloom Collection is like furniture for closets. It embodies luxury with qualities like finely detailed, raised panel doors and drawers; four sumptuous wood finishes; and even spacious islands.

No matter what your needs, we can organize it

Styles to match any decor
white, ivory, maple, cherry, and mahogany finishes are designed to complement different shades of home decor.

Strong 3/4" thick shelves
Ordinary closet systems feature 5/8" thick shelves. 3/4" thick shelves mean a stronger & more reliable shelf.

Radius vertical panels
Our radius vertical panels offer a soft, upscale look without sharp edges so clothes won't snag and they're safer for kids rooms.

Adjustable shelves
Our shelves are adjustable to fit each individual's needs

Melamine System Advantages

Tame reach-in closets.

Heirloom storage solutions can be customized to your needs, like multiple levels of hanging for longer clothing--even adjustable shelves.

Jewelry Drawers

Our jewelry drawers feature compartments of various sizes and shaped to fit your belongings.

Scarf and Tie Racks

Maximize closet space while reducing the frustrations of not finding what you need when you need it.

Wire Baskets

Our wire baskets pull out for easy access.

Storage Islands

We took the concept of a kitchen island and applied it to the closet. Heirloom islands maximize storage options while providing a much-needed folding surface.

High Quality Drawer Sets

Strong metal drawer sides and thick drawer bottoms add up to looks that last a lifetime.

Raised Door and Drawer Fronts

We've added touches like finely-detailed, raised panels and decorative hardware.

Built-in Hampers

Our convenient hampers hide messy laundry behind raised panel doors and have exquisite, designer hardware.

Rubbermaid

HEIRLOOM[™]
Select

Custom Closets Built for Changing Lifestyles

Heirloom Select provides intuitive, adjustable wood and wire solutions for the customer that craves the look of wood, but needs additional flexibility in arrangement and price.

From design to installation you can provide smart, creative solutions for closets, pantries, mudrooms, craft, and utility areas. Heirloom Select provides your customers with a wide range of options to maximize value and maximize space.

Quality Material

Heirloom Select installs in minutes on the FastTrack system. Trusted for its strength and durability, FastTrack is manufactured from solid steel and coated with a smooth epoxy finish. Enjoy the convenience of simple and secure installations customers expect from professional contractors.

Personalized

Rubbermaid's Heirloom Select creates storage spaces that reflect a home's sense of style and personality. Accessories such as tie racks, belt racks, valet rods and shoe cubbies provide ample upgrades your customers will love.

Backed by our **Lifetime Limited Warranty**, Rubbermaid manufactures from 3/4" thick commercial grade melamine laminate. With all steel full-drawer glides, pulls and accessories, you can feel confident you're providing a heavy-duty storage system with lasting beauty.

Customize and Upgrade

Uniquely designed to offer strong and adjustable storage throughout the home, Heirloom Select adjusts to your customer's budget and storage needs. Create simple functionality with wood and wire shelves, add shoe cubbies and accessories to customize or upgrade to rich wood grains, satin nickel hardware, and drawers to create a truly custom closet any budget conscience homeowner will aspire to.

Heirloom Select is available in classic white, traditional ivory, fresh maple, rich cherry and mahogany.
